

## Help Prepare the Next Generation of Oblate Priests and Brothers

*YOU can make a difference!*

The new seminary residence in San Antonio, Texas will consist of five residence houses across the street from the Oblate School of Theology. Each house will have five bedrooms: four for seminarians and one for either a guest or for a formator who will assist them as they prepare for sacred vows.

Each residence house will have a common area designated for a specific function. This communal room will either be a worship space for daily Mass, community prayer, quiet meditation and Eucharistic Adoration; a library; a dining room; a community/meeting room or a living room. There will also be a room next to the formator or guest rooms designed for counseling and spiritual direction. Each residence will have a small patio. Additionally there will be a prayer garden for quiet contemplation in the common space between the residences.

**I believe that priests are vital to the future of our Catholic church. I wish to make a donation in support of the Oblate Seminary Residence Campaign to one (or more) of the following:**

### Seminary Residence Campaign Prayer

Almighty and loving God, we pray today for the future of our Church. We pray that the number of vocations to religious life may increase. Help more young men recognize and explore the calling to religious life, particularly with the Missionary Oblates of Mary Immaculate. We pray for our young men in formation, that they will grow in faith, community and a spirit of service. Walk with the Oblates and guide them as they continue to develop the Seminary Residence. Touch the hearts of our benefactors as they help prepare the next generation of Oblate priests and brothers. Amen.

**We would like to pray with you for your personal intentions. Please list them here.**
